

October was full of reasons to celebrate the people, traditions, and little things that make life special.

This month, we're looking back on a few of our favorite moments, from pets and family traditions to golf, Nebraska comfort food, and the everyday heroes who have made a difference in our lives. We're also sharing some thoughtful ways to plan ahead and protect what matters most to you and your family.

Grab a cup of coffee and enjoy a little catch up.

Celebrating Pets Who Make Life Brighter

As we celebrate 50 years of Lau Financial Group, we're grateful for all the relationships that have become part of our story, including our four-legged family members!

Thank you to everyone who participated in this year's Love Your Pet Campaign and helped us create another poster full of adorable faces.

Say Hello to Twisty!

Twisty may be only 10 months old, but he already has plenty of love to give! This gentle, friendly pup enjoys snuggles, adventure, and getting to know new canine friends at his own pace.

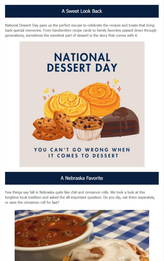

He's currently waiting at the Capital Humane Society for his next chapter to begin.

Tweing Up a Lau Family Tradition

In honor of Golf Lover's Day, we took a look back at a sport that has been part of the Lau family for generations. It's a tradition filled with family time, friendly competition, and plenty of memories made on the course.

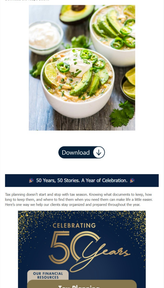

Honoring Our Everyday Heroes

Earlier this month, National Hero Day gave us a chance to think about the people who have made a meaningful difference in our lives. Whether it's a family member, friend, teacher, coach, first responder, or neighbor, there are heroes all around us worth recognizing.

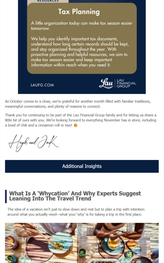

A Sweet Look Back

National Dessert Day gave us the perfect excuse to celebrate the recipes and treats that bring back special memories. From handwritten recipe cards to family favorites passed down through generations, sometimes the sweetest part about dessert is the story that comes with it.

A Nebraska Favorite

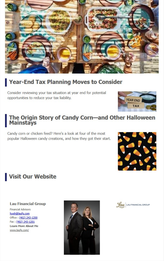

Few things say fall in Nebraska quite like chili and cinnamon rolls. We took a look at this longtime local tradition and asked for all-important question: Do you dip, eat them separately, or save the cinnamon roll for last?

Chili, Cinnamon Rolls, & FAC

Chili weather has officially arrived, and we're already all the way into it. Our **November 6 Friday Afternoon Club** will feature chili and cinnamon rolls from **12 a.m. to 1 p.m.**

Whether you're a dipper, a dessert saver, or firmly believe the two should never touch, there's a seat at the table for you.

Conversations That Shape a Legacy

A family legacy is about more than passing down wealth. It's also the values, stories, lessons, and traditions you hope future generations will carry forward. Meaningful conversations can help your family understand not only **what** you're planning for, but **why it matters.**
